OPD Series:

CLASSIC VINTAGE ACORN POST TOP!

CLASSIC STYLING ENHANCES WILLIAMS OUTDOOR POST TOP OFFERING!

Simply designed, the OPD is a traditional, classic, acorn-style post top luminaire. The perfect combination to historic areas, revitalized downtown centers, parks, and retail settings, the OPD features:

- Choice of clear, textured U.V. stabilized acrylic or impact-resistant polycarbonate diffuser.
- Varied distributions with three reflector/refractor choices.
- Optional brass bullet-style finial for a decorative touch.

SPECIFICATIONS:

- HOUSING – Cast aluminum base with clear, textured U.V. stabilized acrylic or impact-resistant polycarbonate diffuser. Gasketed for weathertight performance.
- ELECTRICAL PACKAGE – PSMH: Rated -20°F minimum starting temperature. HPS: Rated -40°F minimum starting temperature.
- DIFFUSER – Choice of molded U.V. stabilized acrylic or molded impact-resistant polycarbonate.
- DISTRIBUTION – REFRACTOR: Prismatic glass refractor in Type III or Type V distribution. STACK REFLECTOR: Spun aluminum stack reflector with a specular finish.
- MOUNTING – Post top mounting on 3" or 4" O.D. tenon or pole top. Secured with stainless steel set screws.
- FINISH OPTIONS – Super durable polyester powder coat meets and exceeds AAMA 2604 specifications for outdoor durability.
- LABELS – cCSAus certified as luminaire suitable for wet location.
- This fixture is proudly made in the USA.
